Whether you're looking to brand your furniture, or add a touch of personal design, RCLF has the ability to customize our furnishings to suit your personal flair. Inquire for more information.

Basic Information

Height: 30"

Length: 82"

Depth: 82"

Weight: 309 lbs

Materials

- 11 GA solid steel sheet metal
- 3" round steel tubing

Construction

-Base: Each leg is cut from 3" tubing and welded to top and bottom plates.

-Top: Constructed from 11 GA material, the top is cut into an octagonal shape and bolts to table base.

-Seats: Constructed from 11 GA material, each seat is perforated, bent along the edges, and bolted to seat pedestals.

Powder Coat Finish Procedure

1. Metal substrate is shot-blasted to remove contaminants and create an optimal etched profile for powder adhesion.
2. Substrate is then washed with an alkaline rinse to further enhance coating effectiveness.
3. An industrial sealer is applied to the piece to inhibit rusting.
4. The piece is then coated with an epoxy powder coat primer and subsequently cured in our oven according to manufacturer's guidelines.
5. The metal returns to the powder booth for application of UV-resistant, polyester powder coat finish and is cured again in the oven. The furniture emerges with a beautiful and durable exterior that is capable of withstanding the rigors of demanding public spaces.

Warranty

The Renaissance team warrants the quality of every site amenity that leaves our factory. If the product is installed according to our recommendations, we will guarantee the frame construction for **the life** of the item. All other components are guaranteed for three years after shipment.
